
Subject: Client Website Agreement Order

We are here want a clear letter from client as Pay Oder against or services as per our offered value and than after getting the PO and initial amount the process will stat from OM-SOFT-TECH and we also request the client to mention time duration and money clearly so that OM-SOFT-TECH will try to deliver its output before the committed date.

OM-SOFT-TECH will never take any work order without pay order, we always want to safe our brand in market and want our client their work on time, for this we also want clients corporation too for complete their process on time because we don't want to waist their as well as out time. Client should give the requirement with a proper study by them self as they have better knowledge of their domain business than us.

While final deal we want our client to contact at 9310755023 or 9871152863
